You further represent that you have obtained consent from any third-party individuals whose personal data you have provided as Registration Information.

e. Information requirements for renewals. Upon renewal of your domain registration, the type of information you are required to provide may have changed. If you do not wish to provide the new required information, your domain registration may not be renewed.

6. Domain Privacy Service

- a. If you purchased domain privacy services (“Domain Privacy”), you agree that your Registration Information will be replaced in any public WHOIS search with information provided by the Company as determined in its sole discretion (the “Private WHOIS Contact Information”).
- b. Although the Private WHOIS Contact Information will appear in any public WHOIS search result, you are solely responsible for resolving any and all monetary, creditor, or other claims that arise in connection with a legal or other dispute involving your domain name registration. You agree that: (i) postal mail may be forwarded via regular mail forwarding or scanned and emailed electronically to the email address listed in the Registration Information; (ii) emails will be forwarded to the email address listed in the Registration Information; and (iii) callers will be directed to use the mailing or email address listed on the Private WHOIS Contact Information and we will forward such mail or email pursuant to the terms of this section; we will not relay phone messages to you. You agree to waive any and all claims arising from your failure to receive communications directed to your domain name but not forwarded or referred to you by the Company.
- e. If any domain name for which you are using the Domain Privacy service is transferred to another registrar, Domain Privacy will automatically cease and no refund will be given for any unused portion of the service.
- f. Failure to renew the Domain Privacy service while your domain name registration is still valid will result in the Domain Privacy being suspended, terminated or cancelled and your Registration Information will be displayed in any public WHOIS search. Domain Privacy renewals after initial purchase will be at the standard list price, which is available by logging in to your account.
- g. The Company expressly reserves the right, in its sole discretion and without any liability to you whatsoever, to suspend or cancel your use of the Service and/or reveal the Registration Information in any public WHOIS search or to any

A Registered Name Holder licensing use of a Registered Name according to this provision shall accept liability for any harm caused by wrongful use of the Registered Name, unless the Registered Name Holder discloses the current contact information provided by the licensee and the identity of the licensee within seven (7) days to a party that provides the Registered Name Holder reasonable evidence of actionable harm.

You may change the name server configuration (or “un-park” the domain) after the registration is complete. If you need to register name servers using the domains that you are currently registering, the names will initially be parked with the Company until you modify the name servers after the domain registration is complete, using your account manager.

b. In the event your domain registration expires, your registration is no longer valid. If you are able to renew the domain name, you may update the domain to its original settings. After expiration, but prior to renewal, the domain may be pointed to an “expired” page (collectively, “parking a domain” or a “parked domain”). There is no charge for the parked domain. The Company must receive notification of your intent to not renew (opt-out) no later than sixteen (16) days prior to the renewal date. You agree that we may place our contact information in the WHOIS output for any expired domain name, as the failure to renew results in the immediate cancellation of registration and loss of all rights to the domain name. The Notice must (x) describe the nature and basis of the claim or dispute; and (y) set forth the specific relief sought. If we do not reach an agreement to resolve the claim within thirty (30) days after the Notice is received, you or <#=parentresellercompanyname#> may commence an arbitration proceeding.

* Format of Proceedings. The arbitration will be conducted, at the option of

the party seeking relief, by telephone, online, or based solely on written submissions.

* Fees. If you initiate arbitration, your arbitration fees will be limited to the filing fee set forth in the AAA's Consumer Arbitration Rules. Unless the arbitrator finds the arbitration was frivolous or brought for an improper purpose, we will pay all other AAA and arbitrator's fees and expenses. Any fees greater than the filing fees of the small claims court in your home jurisdiction will be paid by <#=parentresellercompanyname#>.

* Individual Basis; Jury Trial Waiver. To the fullest extent permitted by applicable law, you and <#=parentresellercompanyname#> each agree that any proceeding to resolve a Claim will be conducted only in the respective party's individual capacity and not as a plaintiff or class member in any purported class, consolidated, multiple plaintiff or representative action ("Class Action"). If for any reason a Claim proceeds in court rather than in arbitration, you and <#=parentresellercompanyname#> each waive any right to a jury trial. You and <#=parentresellercompanyname#> expressly waive any ability to maintain any Class Action in any forum. If the Claim is subject to arbitration, the arbitrator will not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. Further, you agree that the arbitrator may not consolidate proceedings or more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding, and that if this specific proviso is found to be unenforceable, then the entirety of this arbitration clause shall be null and void. The arbitrator may award injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim.

* Enforcement. Any judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction. The United Nations Conventions on Contracts for the International Sale of Goods will have no applicability.

* Invalidity. If a court of competent jurisdiction finds the foregoing arbitration provisions invalid or inapplicable, you and <#=parentresellercompanyname#> each agree to the exclusive jurisdiction of the Federal and State courts located in Boston, Massachusetts, and you and <#=parentresellercompanyname#> each agree to submit to the exercise of personal jurisdiction of such courts for the purposes of litigating any applicable dispute or claim.

* Opting Out. If you do not want to arbitrate disputes with us and you are an individual, you may opt out of this arbitration agreement by sending an email to legal@<#=parentresellercompanyname#>-inc.com within thirty (30) days of the first of the date you access or use the Service.

* Confidentiality. The parties shall maintain the confidential nature of the arbitration proceeding and any award, including the hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, or except as may be necessary in connection with a court application for a preliminary remedy, a judicial challenge to an award or its enforcement, or

unless otherwise required by law or judicial decision.

Neither party has, expressly or by implication, or may represent itself as having, any authority to make contracts or enter into any agreements in the name of the other party, or to obligate or bind the other party in any manner whatsoever.

f. Waiver. No failure or delay by any party hereto to exercise any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy by any party preclude any other or further exercise thereof or the exercise of any other right or remedy. No express waiver or assent by any party hereto to any breach of or default in any term or condition of this Registration Agreement shall constitute a waiver of or an assent to any succeeding breach of or default in the same or any other term or condition hereof.

g. Severability. If any provision or portion of any provision of this Registration Agreement shall be held to be illegal, invalid or unenforceable by a court of competent jurisdiction, it is the intention of the parties that the remaining provisions or portions thereof shall constitute their agreement with respect to the subject matter hereof, and all such remaining provisions or portions thereof shall remain in full force and effect.

h. Assignment. You may not assign or transfer this Registration Agreement or any of your rights or obligations hereunder, without the prior written consent of the Company and/or without using the Company's domain transfer process in compliance with ICANN's policies. Any attempted assignment in violation of the foregoing provision shall be null and void and of no force or effect whatsoever. The Company may assign its rights and obligations under this Registration Agreement, and may engage subcontractors or agents in performing its duties and exercising its rights hereunder, without your consent. This Registration Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. You agree that the Company may transfer your domain name from one accredited registrar to another accredited registrar without requiring your consent, to the extent not prohibited by ICANN or applicable registry rules or by applicable law.

i. Intellectual property. Except for your Content (as defined above), all content available through the Services, including designs, text, graphics, images, video, information, software, audio and other files, and their selection and arrangement, and all software used to provide the Services (collectively, "Company Content"), are the proprietary property of the Company. You may not, directly or indirectly, reverse engineer, decompile, disassemble or otherwise

attempt to derive source code or other trade secrets from any Company Content. Any use of the Company Content other than as specifically authorized herein is prohibited and will automatically terminate your rights with respect to use of the services and the Company Content granted herein. All rights of the Company or its licensors that are not expressly granted in this Registration Agreement are reserved to the Company and its licensors.

j. Entire agreement. APPENDIX ‘F’

.NAME DEFENSIVE REGISTRATIONS SPECIFIC CONDITIONS

If the Order is a .NAME Defensive Registration, the Registrant, must also agree to the following terms:

1. DEFENSIVE REGISTRATIONS

Defensive Registrations allow owners of nationally registered marks to exclusively pre-register on the .NAME space and create a protective barrier for their trademarks. A "Defensive Registration" is a registration granted to a third party of a specific string on the second or third level, or of a specific set of strings on the second and third levels, which will not resolve within the domain name system but may prevent the registration of the same string(s) on the same level(s) by other third party applicants.

2. PHASES OF DEFENSIVE REGISTRATIONS

(1) As a Defensive Registration Registrant ("Defensive Registrant"), you hereby certify to the best of your knowledge that for Phase I Defensive Registrations ("Phase I Defensive Registrants"), you own valid and enforceable trademark or service mark registrations having national effect that issued prior to April 16, 2001 for strings that are identical to the textual or word elements, using ASCII characters only, subject to the same character and formatting restrictions as apply to all registrations in the Registry TLD. You understand that trademark or service mark registrations from the supplemental or equivalent Registry of any country, or from individual states or provinces of a nation, will not be accepted. Subject to the same character and formatting restrictions as apply to all registrations in the Registry TLD, if a trademark or service mark registration incorporates design elements, the ASCII character portion of that mark may qualify to be a Phase I Defensive Registration.

(2) Phase II Defensive Registrants may apply for a Defensive Registration for any string or combination of strings.

(3) Defensive Registrants, whether Phase I or Phase II shall comply with the following Eligibility Requirements, available at <http://www.icann.org/tlds/agreements/name/registry-agmt-appl-03jul01.htm>, the summary of which is as follows:

(1) There are two levels of Defensive Registrations, each of which is subject to payment of a separate fee;

(2) Multiple persons or entities may obtain identical or overlapping Defensive Registrations upon payment by each of a separate registration fee;

(3) The Defensive Registrant must provide the information requested in Section 3(i) below;

(4) A Defensive Registration will not be granted if it conflicts with a then-existing Personal Name Registration or other reserved word or string.

3. PROVISION OF REGISTRATION DATA

As part of the registration process, you are required to provide us with certain information and to update this information to keep it current, complete and accurate. You must provide contact information, including name, email address, postal address and telephone number, for use in disputes relating to the Defensive Registration. You understand and agree that this contact information will be provided as part of the Whois record for the Defensive

Registration. You further understand that the foregoing registration data may be transferred outside of the European Community, such as to the United States, and you expressly consent to such export.

In addition to the information provided in subsection 1. above, Phase I Defensive Registrants must also provide:

- (1) the name, in ASCII characters, of the trademark or service mark being registered;
- (2) the date the registration issued;
- (3) the country of registration; and
- (4) the registration number or other comparable identifier used by the registration authority.

4. DISPUTE POLICY

If you registered a Defensive Registration, you agree that:

- (1) the Defensive Registration will be subject to challenge pursuant to the Eligibility Requirements Dispute Resolution Policy ("ERDRP");
- (2) if the Defensive Registration is successfully challenged pursuant to the ERDRP, the Defensive Registrant will pay the challenge fees; and
- (3) if a challenge is successful, then the Defensive Registration will be subject to the procedures described in Section 2(h) of Appendix F to the agreement of Global Name Registry ("Registry Operator") with the Internet Corporation for Assigned Names and Numbers ("ICANN"), available at <http://www.icann.org/tlds/agreements/name/registry-agmt-appl-03jul01.htm>;
- (4) if a Phase I Defensive Registration is successfully challenged on the basis that it did not meet the applicable Eligibility Requirements, the Defensive Registrant will thereafter be required to demonstrate, at its expense, that it meets the Eligibility Requirements for Phase I Defensive Registrations for all other Phase I Defensive Registrations that it registered within .NAME through any Registrar. In the event that the Defensive Registrant is unable to demonstrate the foregoing with respect to any such Phase I Defensive Registration(s), those Defensive Registration(s) will be cancelled;
- (5) The ERDRP applies to, among other things, challenges to Defensive Registrations within .NAME and is available at <http://www.icann.org/tlds/agreements/name/registry-agmt-appm-03jul01.htm>.

5. CONSENT

Defensive Registrants may be asked to give their consent to allow individuals to share a part of their space. For example, if you have filed a Defensive Registration on PQR (which blocks out ANYSTRING.PQR.name and PQR.ANYSTRING.name), you may be asked to give consent to John Pqr to register JOHN.PQR.name if he can prove that PQR is his name. In such a circumstance, you will have five (5) days to respond to a request for consent.
